

First Call Group, Inc.

Service-Disabled Veteran-Owned Small Business (SDVOSB) | Native American Owned
Infrastructure • Data Centers • Cybersecurity • Power Systems • Federal Services

UEI: PJEJN9ED2523	CAGE: 82WS6	Founded: 2018	Website: www.thefirstcallgroup.com
--------------------------	--------------------	----------------------	---

CORE COMPETENCIES

- Data center infrastructure support across design, deployment, operations, and modernization.
- Critical power systems integration including UPS, distribution, switchgear, generators, and batteries.
- Cybersecurity-aligned environments supporting NIST, RMF, FISMA, and secure architecture planning.
- Secure cloud and hybrid environment support for federal and regulated operations.
- U.S.-based OEM and channel partner enablement, integration, and lifecycle support.

SERVICE AREAS

- Facility design and infrastructure planning.
- Cooling and thermal environment coordination.
- Deployment, installation, startup, and commissioning support.
- Asset lifecycle management and sustainment planning.
- Supply chain documentation and secure delivery pathway support.

PRIMARY NAICS

- 541512 - Computer Systems Design Services
- 541330 - Engineering Services
- 238210 - Electrical Contractors and Other Wiring Installation Contractors
- 518210 - Computing Infrastructure Providers, Data Processing, Web Hosting, and Related Services
- 561210 - Facilities Support Services

DIFFERENTIATORS

- SDVOSB, Veteran-Owned, Minority-Owned, Native American Owned, DOT Certified DBE, and Small Disadvantaged Business designations.
- Combines infrastructure, power, cybersecurity, and lifecycle support under one delivery model.
- Structured to help OEMs access U.S. federal and regulated markets through a compliant domestic pathway.
- Focused on mission-critical and compliance-driven environments where resiliency and documentation matter.
